Dear Louise

You can read of Lois's letter if she will let you because that is all the funniness left in me for one time.

Your current events came today and I got a letter from Slorence. Her address ~~is~~ is

Miss Slorence Bell
State Teachers College,
West Chester,
Pa.
Box 139.

She didn't say much, but it was a good letter. She told about her studies etc.

I thought I would write to Lois the time and ~~not~~ give you Slorence's address.

Good night

Helen Town
